ECHOES

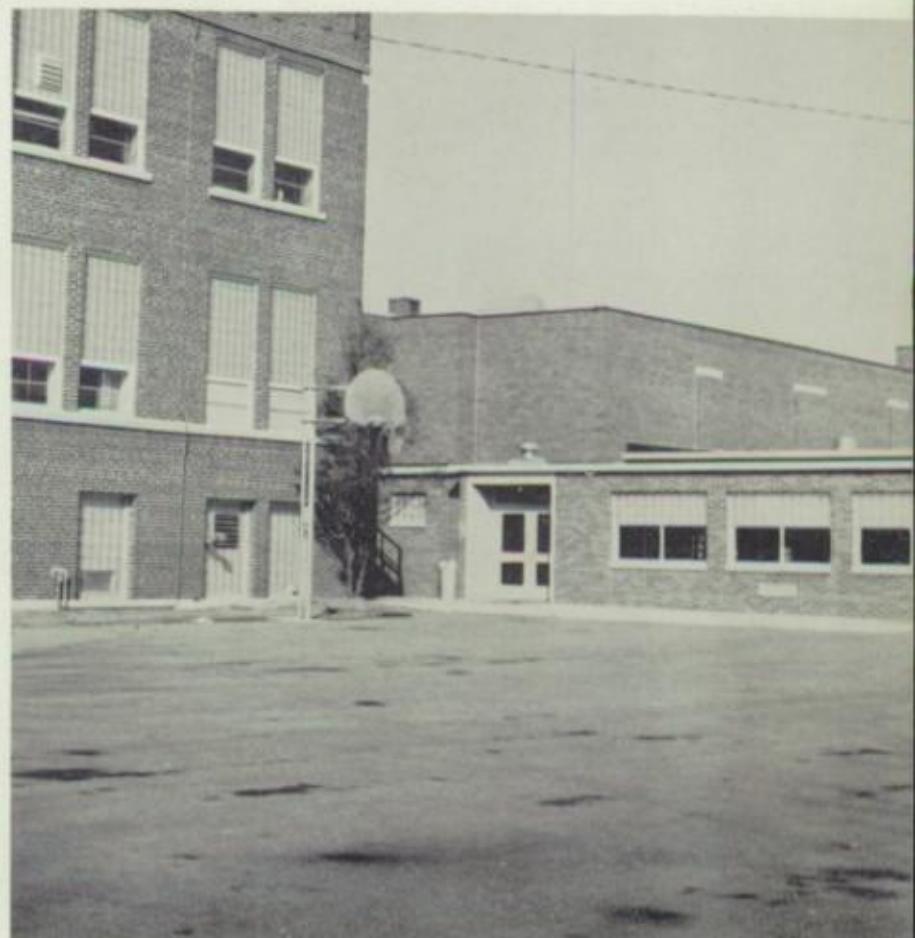

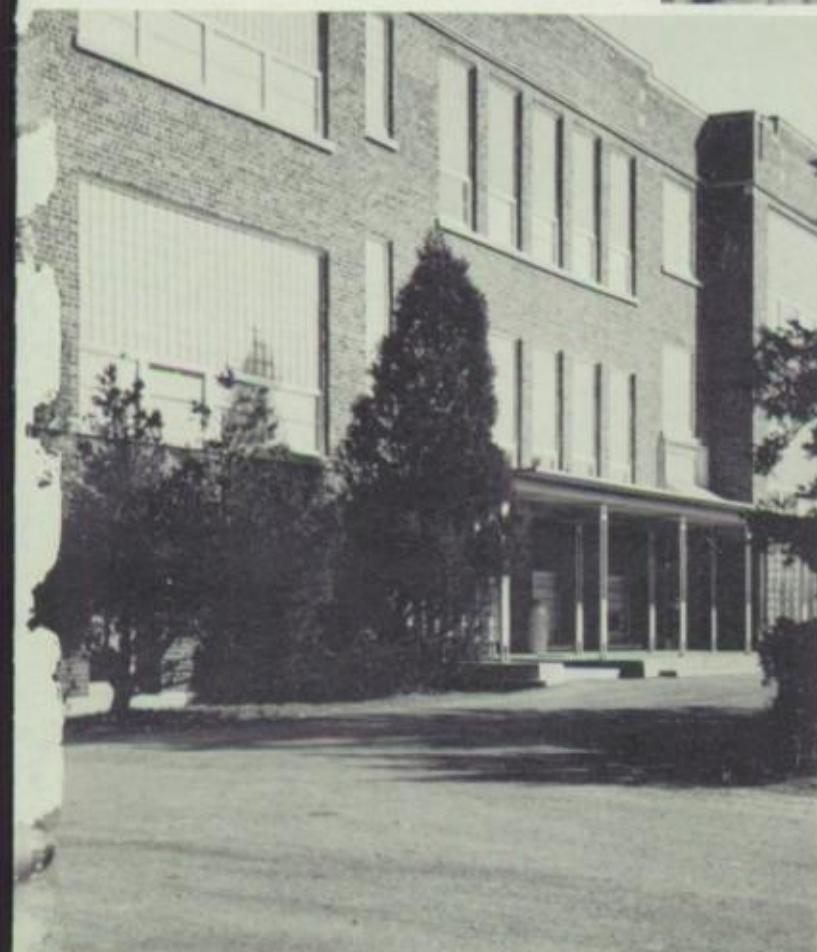

The

Echoes

1964

Throughout youth, students are continually opening doors--or allowing them to close. Doors to education, to opportunity; doors to progress, to challenge--these doors will open if the knob is turned correctly. At York, the main entrances are a symbol of the challenge that lies beyond the doors of each department. As these doors open one by one, students may see what lies ahead.

## Dedication

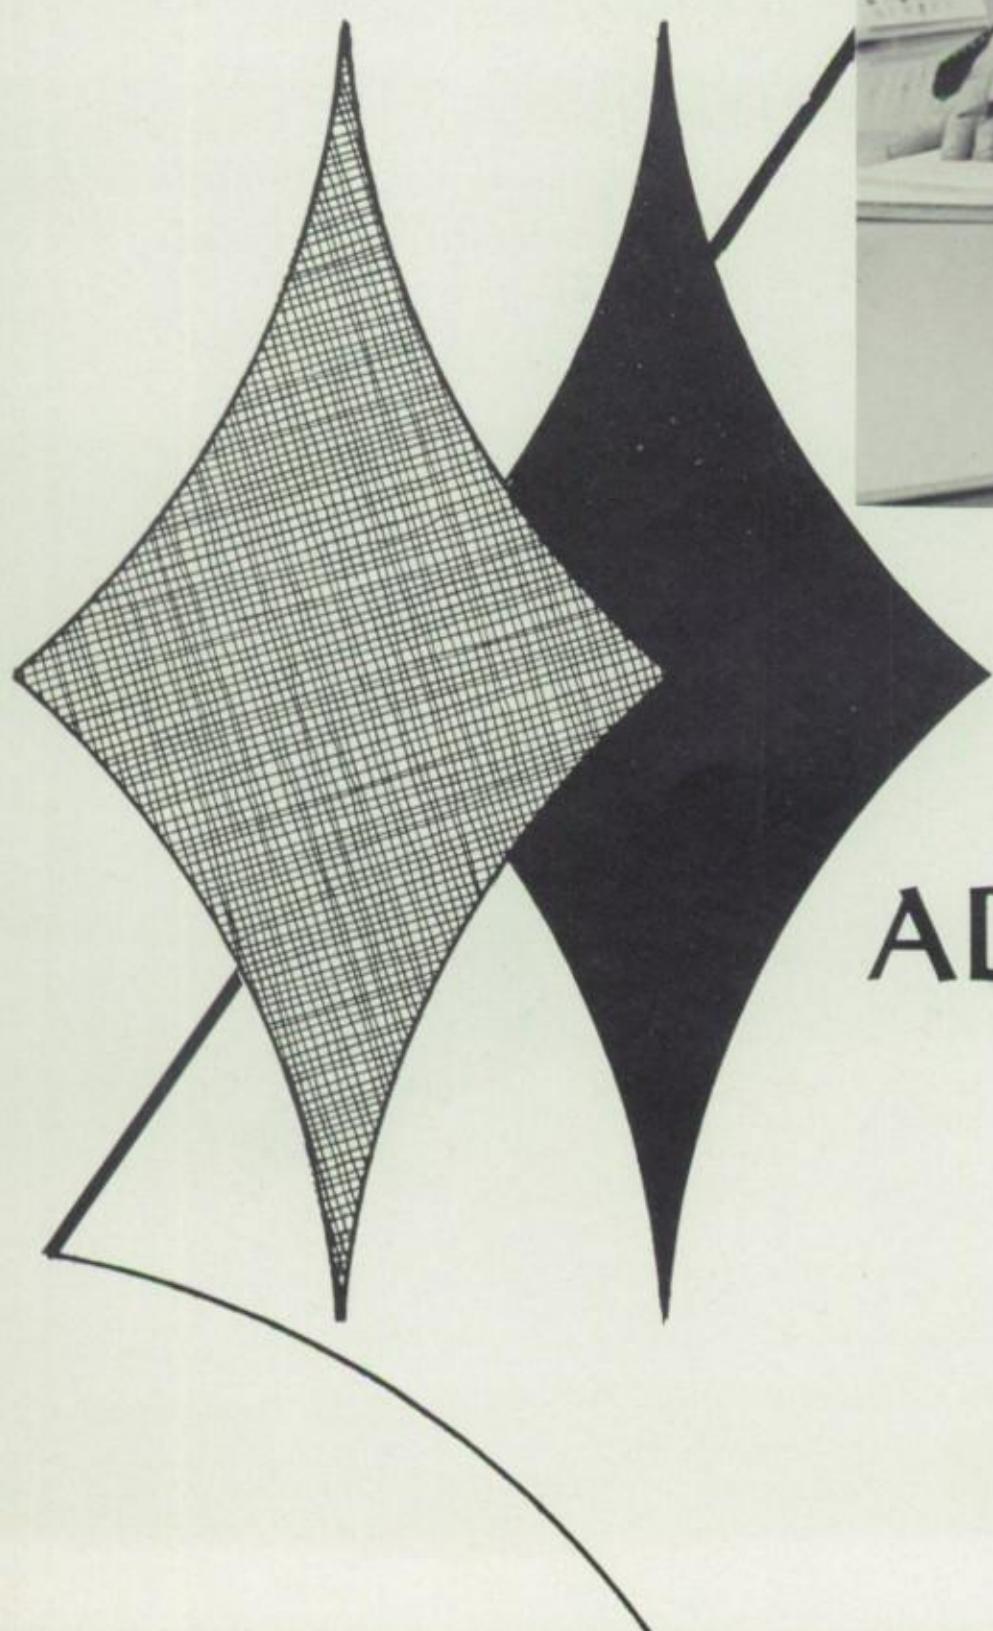

MRS. ROTHACKER

We, the Seniors of 1964 wish to dedicate our yearbook to a person who has been very dear to our hearts. To show a small amount of our appreciation we would like to honor you, Mrs. Rothacker, for all the small favors, guiding talks and extra time you have given us. If ever we had a problem we knew we could come to you. The assurance that there would always be someone to turn to in times of question or sorrow has helped us walk these halls with more confidence than we ever thought possible.

From the bottom of our hearts, Mrs. Rothacker, we say thank you.

# Class Prophecy

As I sat in my winter penthouse on the Pacific coast working on the new space project, Apollo III, I wondered how this project would affect the people in the United States. I buzzed my secretary; I told her to have my stenographer interview different people and get their candid opinion. Then I thought of my old classmates with whom I had graduated. I recalled my stenographer and had him interview the other members of the CLASS of 1964.

## Interview Report

Stenographer: F. W. Goul

Date: January 16, 1976

LARRY BOWERSOX: Doctor of Veterinarian of Medicine at General Hospital in Boston, Mass., where he specializes in orthopedics. Highly rated with the other Medical Doctors at the hospital. He is happily married and has five dogs.

Opinion: "I might transfer my residency to the new aid station there."

RICHARD ZIEBER: He really goes to the top in a hurry. He is now an elevator operator at the Roosevelt Hotel in Jackson, Florida. Every day he starts at the bottom and moves up in the world.

Opinion: "Who's goes up?!"

GALEN POLLEY: Business Administrator at Studibaker Inc. He is not doing so well, his car production was a little off in the latter years.

Opinion: "I hope I can speed up production on account of the project."

KAREN HETER: First grade teacher at Oakland Elementary, West Chester, Maine. She teaches advanced math to these small geniuses. She married an old high school boy friend and is very happy.

Opinion: "Probably have some new math they want you to learn."

JUDY CROTCHER: Physicist at the Government Institute at Washington D.C. She was awarded the Unnoble Prize for the generation of purple light waves which discolored all white material in a radius of fifty miles. Now we have a Purple House in Washington D.C.

Opinion: "What color did you say it was? White!"

BECKY LEE: Now a well known dress stylist. She has styled many famous people's garments; such as Mrs. Hilda Hooper, Miss Alaskan Peanut, and many other FAMOUS people. She is one of the best dressed people in Hillsdale, Alabama.

Opinion: "Shore nuff! Well bless my new blue dress! What will they think of next, you reckon?"

CHARLES WEISZ: Famous race driver at the Fremont Speedway. Broke all records with his new 409 Chevy. Not married, but has a girl in mind.

Opinion: "Don't let Ford in on it or it will burn up in the first forty miles."

TOM SHELLEY: Under World's famous chemist. He disproved Einstein's theory of  $E=mc^2$ . He is also a Dis-Jockey on his own station, W.A.B.C., out of New York.

Opinion: "I'm making the fuel. It'll be a success."

ROSALYN WISE: Former secretary to the great statesman Richard Nixon. Unfortunately she was dismissed. She is married and very happy with her five children.

Opinion: "You say Mr. Nixon may have another chance?"

FREMONT OIL COMPANY

## Class Prophecy (cont'd)

KAREN RUFFING: Now one of the World's best (?) opera singers. Just back from a tour of Russia where sang for the Red Chinese delegates in Moscow. She says she never got married because a career is more important. Opinion: "What's there to sing about?"

CHARLES FREDERICK: Now a police officer in West Chicago. He says he became a police officer after his little experience when he got caught running a stop sign. Now he says, "Now it's legal for me to run a stop sign."

Opinion: "I don't know much about it. I'm just a COP."

ROBERT DICK: Owner and manager of his Museum of Antique Cars in Jamestown, Virginia. His prize possession is a 1938 black Plymouth, with a smashed grill.

Opinion: "If it's old enough I'll buy it, but it has to look used."

RICHARD MOYER: Owner and farmer of York Township. He owns 36 square miles of land. Last year he made a deal with Russia to sell them 20,000 bushels of wheat. (Without government approval)

Opinion: "Did you say you need some wheat for the project, I can give you a good deal."

EMMA STIMSON: A dancing instructor for teenagers at the Y.W.C.A. in Toledo, Ohio. She is not married, she can't seem to settle on which fellow is the right one.

Opinion: "What's so important about that? You can't dance to it."

CONNIE HILL: A general welfare worker. She helps the needy in Beverly Hills, California. There is lots of work for her in this community. In spite of her tireless work she still has time for her family."

Opinion: "Yes, I think it is a good and an important project. Which project did you say it was?"

GARY MICHAELS: Sergeant in the United States Army. Has served on foreign shores and is now stationed at Fort Knox, Kentucky, where he is in charge of the W.A.C. barracks.

Opinion: "Don't let the Navy in on it or it will look like a blasted ship!"

SARAH BEHEE: Now a nurse in Bellevue Hospital, New York. She takes care of the patient in the operating room. She has one specific problem--she can't stand the sight of blood.

Opinion: "Need a good nurse?"

SUE HANSEN: She is the Dear Abby for International Papers. She has given lots of good advise to many people. She is very happy living in Cleveland with her husband and two children.

Opinion: "If you need any advise just drop me a line and I'll be glad to help."

# Class History

We, the class of 1964, entered the halls of York High as 30 eager freshmen in September, 1960. Our class sponsor, Mrs. Tetirick, helped us to get a good start. Our elected officers were Larry Bowersox, president; Richard Zieber, vice-president; Karen Heter, secretary; Galen Polley, treasurer; and Harold Bailey, student council representative.

Next year our diminishing class of 27 sophomores returned to a new sponsor, Miss Aigler. Rapping the gavel was Galen Polley with Harold Bailey waiting his turn in case of emergency. Rosalyn Wise kept the records and Larry Bowersox collected our mounting pennies. Richard Zieber voiced our opinions in student council.

This year we were 21 busy juniors. Besides keeping up with our home work we were right in the midst of the extra-curricular activities. During basketball games or noon hour we could be found selling our delicious candies. Some of our other fund raising projects were a turkey raffle, record hop, and roller skating party. Happy were we when our long-awaited class rings arrived. In April, after many riotous rehearsals, the curtain descended on "Girl Crazy" under the direction of Mrs. Zanger. Miss Aigler really became one of us when we converted the gym to a Paris street scene for our prom, "An Evening in Paris." Leading us this year was Tom Shelley with Larry Bowersox close by. Becky Lee was pushing the pencil. Karen Heter, with the help of Connie Hill, kept our moldy millions. Richard Zieber and Galen Polley related our brainstorms to the student council.

Now we are 19 vivacious seniors, with Larry Bowersox, president; and Judy Crotcher, secretary. Richard Zieber takes over Larry occasionally. Karen Heter and Connie Hill keep our financial statements. Rosalyn Wise and Harold Bailey voice our gripes to the student council. In spite of all these we look forward to such things as Senior pictures, invitations and name cards, presentation of "The Spiral Staircase," and being the first class to go to Washington by air. Most of all we look forward to GRADUATION. We wish to thank everyone who helped to make our 12 year stay happy and successful. It will be with reluctance that we leave York High to strive for personal goals in the world.

## National Honor Society

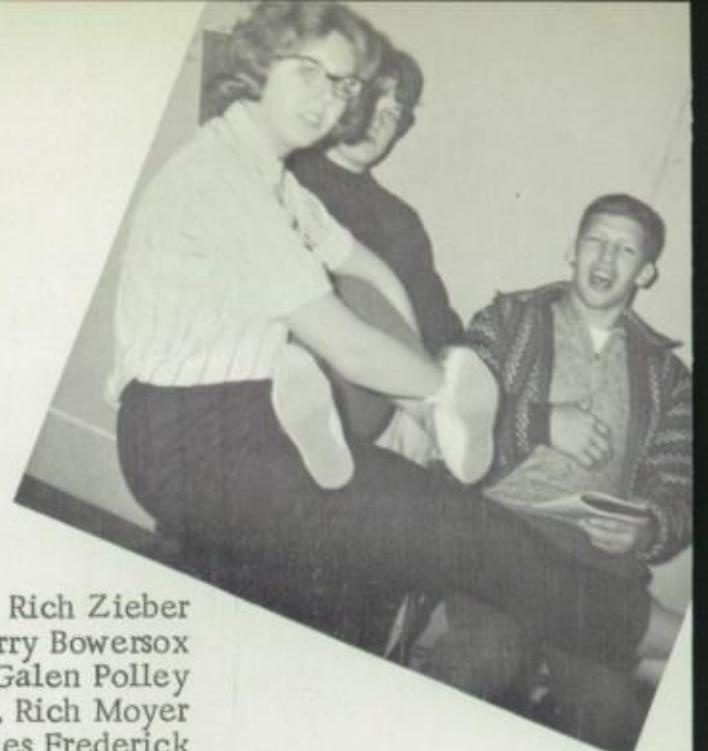

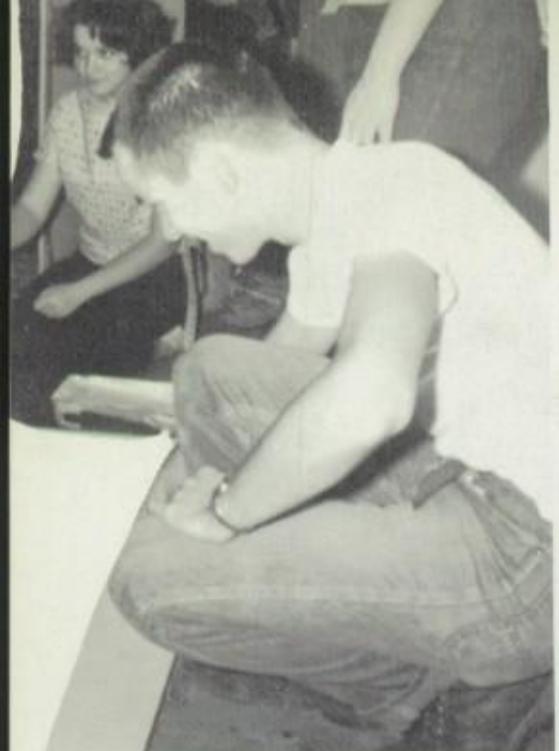

Belonging to the National Honor Society is one of the highest honors bestowed on a high school student. Members are elected for outstanding qualities in Scholarship, Character, Leadership, and Service.

To be a candidate, a student must have a scholarship rank in the upper third of the class. From this upper third 15% can be elected by the High School Faculty.

It is the custom to induct 10% of the Junior Class in the National Honor Society each year.

Paul Shelley, Glenda Heter, LaMar Zieber, Chris Keegan.
